Dear Parents,

Our school will be holding its annual Swimming Carnival at the Healesville Outdoor Pool on Tuesday 1st March. Once again we are combining Dixons Creek and Toolangi primary schools after the great success we had last year. The day is organised for maximum participation by all and you certainly don’t need to be an ‘Ian Thorpe’ to enjoy success. This is the first big day out for the Foundation children, but if other carnivals I have been involved in are any indication they will have a great time.

All children are expected to participate and parents are welcome to attend. The program starts at 11:00 and should finish about 2.00pm. Children will need to provide their own picnic lunch, and only boxed drinks are suitable. A substantial, but healthy, play lunch will also be required as lunch is held fairly late.

This year children will be competing for their House and Toolangi will be their own team. All children will be placed in events to ensure everyone has a fair spread of activities. Children will be encouraged to come in their house colours.

As always we are in desperate need of parent assistance to make the day run smoothly. If you can help in any way please complete the section on the permission form or let the office, or your class teacher, know as soon as possible. We need to know which parents can help prior to the day so the day gets off to an efficient start.

If you have any of the following equipment and can let the school use it on the day please let us know as soon as you can. (Boogie Boards or Tractor/Truck Tubes.)

In the event of poor weather the carnival will have to be postponed/cancelled, so let’s hope for fine weather.

Cost for the day is $13. This includes bus fare, entry and ribbons. Permission Forms must be returned however as soon as possible but certainly by Friday 26th February.

Parents are encouraged to take their children home from the pool.

Please indicate on the form below if you will be taking your child home.

If you are able to assist on the day please put your name down here:

Thank you

Andrew Devisser
