Grandparents Day - Written by Amity Evans

Today was Grandparents Day.
My Grandpa came to school.
We drew a picture of each other.
I drew my Grandpa and he drew me.
My Grandpa read me a book.
It was fun because it was my Grandpa.

Thankyou to all the Grandparents that came to visit last week, we had a delightful time.

One day Isabel went to a ladies garden to eat a bit of lettuce.
She got a tummy ache.
